What Is Polling The Nations?

Polling the Nations is an online database of public opinion polls containing the full text of 600,000+ questions and responses, from 18,000+ surveys and 1,700+ polling organizations, conducted from 1986 through the present in the United States and more than 100 other countries around the world.

Vox Populi

Opinions reported in public opinion polls constitute the "voice of the people" which is an essential element in a democracy. It is also important to compare and analyze results from a variety of polls rather than just one source.
